

# Learning Central - Learning Plan

## Learning Central Home Page View

This is basic overview of a Users home page and Learning Assignments/Learning Plan. Additional assignments may be added by the employee, educators, administrators, and supervisors.

- A. Required Learning: A users learning plan to be completed including on-line, instructor led, and mix courses based off a Users position.
- B. Filter Learning: Use filter to sort learning by “All Course Types,” “All Learning,” “Registrations,” “On-line Courses,” “Surveys,” or “Curriculum Requirements.”
- C. Course Search: Use search or browse available courses.
- D. History of Completed Learning: Use “View All” link to display a list of all completed learning.
- E. My Curricula- Position and/or Organization specific learning.

The screenshot shows the Learning Central interface. Callout A points to the 'My Learning Assignments' section, which lists three required courses: 'Cerner Millennium Basics Inpatient', 'Cerner Millennium Charting - Outpatient Nurses and MAs', and 'Reducing the Risk of Healthcare Associated Infections and Bloodborne Pathogens Exposure'. Callout B points to the 'Filter' button. Callout C points to the 'Find Learning' search bar. Callout D points to the 'History' section showing 2 recently added items. Callout E points to the 'My Curricula' section, which displays a green checkmark and the message 'Congratulations! All required curricula are complete. Go to Curriculum Status'.
